Presenting indie shows.

THE VENUE

This is The Butterfly Club.

I am going to The Butterfly Club to see a live ASMR comedy show in the Upstairs Theatre.

ASMR PARTY

I am going to see ASMR PARTY.

This is a live ASMR show.

The performer will make lots of different sounds during the show. The performer will whisper quietly.

HEADPHONES

I will wear these Silent Sounds headphones during the show. The led lights will be off.

I will hear the show through my headphones.

If I don't like a sound I can take my headphones off.

If it's too loud and I can turn the volume down.

OTHER PEOPLE

There will be a lot of other people attending the ASMR show.

We can laugh together. It will be fun!

PERFORMERS

This is Letitia Lickkit.

Letitia is the only performer in the show.

All the voices and sounds I hear in the show are made by Letitia.

COSTUMES AND MAKEUP

In a show, performers wear costumes and makeup. It's like dress ups.

Letitia will wear a gold sequin halter neck top and gold sequin mini shorts.

Letitia will wear bright yellow make up.

APPLUASE

ASMR PARTY is a quiet show. I can make 'Flutter Fingers' during the show if I am enjoying it.

I can clap at the end of the show if I liked it.

I can cover my ears if the clapping is too loud.

SOUNDS and DARK & LIGHT

Shows use music which can be loud and soft.

The lights during the show will change.
It will sometimes get darker.

This is what The Butterfly Club Upstairs stage
looks like.

FINALE / THE END

When the show finishes Letitia Lickkit will stand on stage and bow.

Everyone will clap. I can cover my ears.

At the very end the lights will get brighter and everyone will leave the theatre.

Today I went to see ASMR PARTY!
